GRAIN TESTING EQUIPMENT

Graintec Whole Grain Analysers

Our new analysers measure protein, moisture and oil content in grains and oilseeds

- Accurate
- Easy to use
- New pour through design

Graintec Moisture Meters

- Accurate and easy to use
- Available for all types of grain

Also available:

- SAMPLING SPEARS
- AGTATOR
- SIEVES
- BALANCES etc.

At Dinner Plain the pace is easy going.

Dinner Plain is the place where the family can be together by the fire or miles apart exploring the cross-country trail network. Where you stroll the gravelled streets simply for the night or to meet friends for a restaurant dinner or drinks at the bar. The village itself helps set the community atmosphere, natural building materials and early trees like the line between man made and alpine environment. With over 200 lodges and abate all the conveniences of a modern resort.

Dinner Plain is the place for your holiday.

For more information explore our website at
